Purpose

Imagine is a generosity campaign designed to support our mission of leading people to a life-changing relationship with Jesus Christ.

How?

By reducing debt to enable ministry and growth.

Purpose

Our mission has three expressions:

1. Guiding everyone we meet to take their next step closer to Christ.

Purpose

Our mission has three expressions:

Stronger Families

2. Building stronger families by centering homes on Christ, with a focus on marriages and the next generation.

Purpose

Our mission has three expressions:

Transformed Communities

3. Transforming communities by mobilizing people to show the compassion of Christ.

Plan

Funding For These Ministry Goals Will Be Provided Primarily Through Debt Reduction

- If Imagine Campaign goal is met, 90% of contributions will go toward debt reduction, minus campaign expenses.
- Remaining 10% is planned for immediate ministry goals in 2016-2017.

Plan

Our Campaign Goal is \$850,000, which is the approximate total annual budget need at Plum Creek one year.

CFR has advised that this goal is ideal for this type of campaign, and achievable based on readiness study.

Plan

Plum Creek's current debt stands at \$2.4 million. Reaching the campaign goal would lower our monthly mortgage payment by \$5,000 or more.

After the two years of the Imagine Campaign, Plum Creek would be in a good position for additional ministry expansion and development of our property, as God leads.

Plan

There are specific goals in each ministry area planned over 2016-2017. These goals represent approximately 10% of the campaign goal.

Plans will be adjusted if contributions are higher or lower than the goal, but the focus will remain on debt reduction.
